

FLASH INSTALLATION

STEP ONE: Flash brackets are shipped assembled with QR-FB installed.

STEP FIVE: Slide QR-FP onto flash bracket.

STEP TWO: Push release button to release QR-FP.

STEP SIX: Check for secure installation.

STEP THREE: Mounting a flash to QR-FP requires either a cold shoe or a TTL cord.

STEP FOUR: Mount cold shoe or TTL cord to QR-FP and tighten with supplied Allen wrench.

STEP SEVEN: Install flash.
